"Crying for the Moon"

Has become a proverbial phrase to express the futility of mere desire. There are a great many people who think it is useless to hope for health as to cry for the moon. They have tried many medicines and many doctors, but all in vain. A great many hopeless men and women have been cured by the use of Dr. Pierce's Golden Medical Discovery; people with obstinate coughs, bleeding lungs, night-sweats and other symptoms of disease which if neglected or unsatisfactorily treated find a final termination in consumption. "Golden Medical Discovery" has a wonderful healing power. It increases the nutrition of the body, and so gives strength to throw off disease. It cleanses the blood from poisonous impurities and cures it with the red corpuscles of health. It is not a stimulant, but a strength giving medicine. It contains no alcohol, neither opium, cocaine, nor any other narcotic.

Sometimes the extra profit paid by inferior medicines tempts the dealer to offer a substitute as "just as good" as "Discovery." If you are convinced that "Discovery" will cure you accept nothing else. "I was in poor health when I commenced taking Dr. Pierce's medicine," writes Mr. Elmer Lewis, of Volney, Jefferson Co., Indiana. "I had stomach, kidney, heart, and lung trouble. Was not able to do any work. I had a severe cough and hemorrhage of the lungs, but after using your medicine a while I commenced to gain strength and flesh, and stopped coughing right away. Took about six bottles of the 'Golden Medical Discovery' then, and last spring I had Grippe, and it settled on my lungs, leaving me with a severe cough. I had the different parts, and that straightened me up. I feel like a different person. I gladly recommend your medicine to all sufferers, for I know it cures."

Dr. Pierce's Pleasant Pellets cure constipation by curing its cause.

A STEER IN A CIGAR STORE.

At the South street freight yard of the Pennsylvania Railroad in Newark Thursday morning a slaying, no-horned steer broke loose from a little herd which were consigned to Alexander Maybaum of Vailburg and were being unloaded from the cars after a long, hot ride. The steer's eyes were bloodshot and he shook his head from side to side as he loped up the street to Broad street and turned north on that wide thoroughfare. At Franklin street John Voorhees, a sixteen-year-old colored boy, ran out to head the steer off. The animal lowered its head and tossed Voorhees fifteen feet. The boy was taken to St. James's Hospital with a bad scalp wound. The steer went on up Broad street and within one door of the busiest corner in Newark, Market street, he turned abruptly and walked into Washington A. Brumthorpe's cigar store. The attendant at the soda counter ducked beneath it and the steer finding nobody in sight turned around and ran out without doing any damage.

The crowd divided and gave him plenty room as he loped up Broad street and into Clinton street. At the corner of Clinton and Mulberry streets he engaged with a man on a bicycle. The man escaped, but the steer smashed the machine and went on up Mulberry street to the market plaza and turned up Commerce street.

Meanwhile the drovers were after him with ropes and aided by Centre Market butchers and porters they cornered him under the big market shed and roped him, throwing him and tying his feet. A veterinary treated the fevered animal while it was down and then with infinite labor it was lifted into a threehorse truck and dragged away to the slaughter house at Vailburg. It was at large for three hours.—(N. Y. Sun.)

THE LOSS AT THE MINT.—The mysterious disappearance of \$30,000 from the mint at San Francisco is a reminder to officials in Washington of a similar loss which the government sustained through the sub-treasury in the city about ten years ago. At that time something like \$10,000 disappeared from the vaults of the sub-treasury, and has never been accounted for. Nobody was indicted or prosecuted for the loss of this money, and a few years ago Congress settled the matter by making a special appropriation to cover the deficit. It is considered hardly probable, however, that the loss at the mint will be treated so lightly by the government.

The Best Remedy for Stomach and Bowel Troubles.

"I have been in the drug business for twenty years and have sold most of all of the proprietary medicines of any note. Among the entire list I have never found anything to equal Chamberlain's Colic, Cholera and Diarrhoea Remedy for all stomach and bowel troubles," says O. W. Wakefield, of Columbus, Ga. "This remedy cured two severe cases of cholera morbus in my family and I have recommended and sold hundreds of bottles of it to my customers to their entire satisfaction. It affords a quick and sure cure in a pleasant form. No family should be without it. I keep it in my house at all times." For sale by Richard Gibson.

Kodol Dyspepsia Cure

Digests what you eat.

We would like to call your attention to the following letter:

Dear Sirs—I have been suffering from dyspepsia for 21 years. Whenever I would take a strong diet I would bloat up in the stomach. I would suffer great pains in the head and stomach and would be obliged to take to my bed and remain sometimes for a day and night. Nothing I took did me any good until last winter, when some one advised my husband to get for me a bottle of KODOL DYSPEPSIA CURE, which he did. I used several bottles of it and I am happy to say I can eat any kind of strong diet I please. I can sleep well at night and I feel like another person altogether. I cannot give Kodol Dyspepsia Cure too much praise, and I will highly recommend it to all sufferers of dyspepsia.—Mrs. Peter Kline, Hopewell, Pa.

It can't help but do you good

There is a very simple reason why Kodol Dyspepsia Cure invariably cures the worst cases of indigestion even after everything else fails, and that is because it is the only preparation known that contains all the digestants and completely digests what you eat.

Kodol Dyspepsia Cure

Prepared only by E. C. DeWitt & Co., Chicago. The 81 bottle contains 2 1/2 times the 50c. size.
